PETITIONING THE COURT

- ☐ To extend the term of supervision for ___ years, for a total term of ___ years.
- ☒ To modify the conditions of supervision as follows:

The defendant shall complete 250 hours of community service as approved and directed by the probation officer, to be completed within the first 5 years of probation.

CAUSE

At the time of sentencing, Ms. Thompson was ordered to complete 250 hours of community service at a rate of no more than 50 hours per year of probation. She was also ordered to comply with home detention through location monitoring and is not permitted to leave her residence outside of court-approved passes. Ms. Thompson is currently permitted to go to SeaTac Botanical Gardens to complete community service hours and enjoys the service she provides. She has requested permission to complete more than 50 hours per year in hopes of completing early and starting her job search. This will provide her an opportunity to be prosocial and fulfill her responsibility to the Court.

I consulted with Assistant United States Attorney Jessica Manca, as well as defense counsel, Gregory Murphy, and they concur with my recommendation.
